Dear Aplay Saxena,
Career Connect Global,

I hereby wish you all the best and appreciate your efforts for "Run for Humanity" mega marathon organized and managed by Career Connect Global in Jaipur on 25, December, 2021. I feel so proud to see everyone's enthusiasm and courage to come out and step ahead for spreading a strong message about humanity and well being.

As a human being it is our responsibility to help others and save the environment. Government on the other side is trying best to come out with the solutions to provide basic amenities to each individual. As a citizen of India, it is also our responsibility to help government and stand up for humanity and healthy living.

I would like to thank **Career Connect Global** and the entire team for coming up with an initiative to cascade and spread message for humanity by organizing this meaningful Marathon and encouraging people to be a part of it to so that we can reach the maximum.

I am sure this way we would be able to make a healthy and peaceful country one day. My best wishes are with everyone associated and supporting this cause as not only you are making people aware but also you are giving a platform for many youngsters to create benchmarks. All the best in advance for your next upcoming initiative.
