MESSAGE

I am delighted to know that Team Saksham Sansthan is organizing the "Run for Humanity" Awareness Run on 25th December, 2016 in Jaipur, Rajasthan.

The observance of such events is a way of creating awareness among the people, especially the younger generation about the importance of water conservation, beti bachao beti pradhao abhiyan etc. I believe that such events will serve to highlight these issues and encourage the participants to spread the message of unity and universal brotherhood amongst the people.

On this occasion, I convey my best wishes to the Organisers and all the participants of the 'Awareness Run' and wish the event every success.
